Kristen Bertuglia, Environmental Sustainability Manager, Town of Vail

**2:30-5:00 pm Tour**

Stilson Park & Ride

*The Stilson intercept parking lot began operation in 2003, as a planned TDM strategy to reduce winter traffic to and from Teton Village. Today, an average of 275 cars park at Stilson daily in winter, where drivers board free START Buses and shuttles to Teton Village.*

START Transit Facility

*Southern Teton Area Rapid Transit (START) is a public bus service provided by Town of Jackson and Teton County. Opened in 2014, the START Transit Facility Phase 1 was funded by \$11.4M federal funding (including a TIGER Grant), \$1M state funding and \$8.35M local funding.*

Teton County Search and Rescue Facility

*Teton County Search and Rescue (TCSAR) boasts one of the most elite rescue teams in the world. Their team of 36 volunteers is highly skilled and trained to perform technical rescues, including short-haul transport of one or more persons suspended beneath a helicopter, in the most extreme circumstances and terrain.*
